LEO SCHULTZ.

This is the most remarkable MUSIC BOOK proposition ever offered to the music loving public, for, in addition to their contents being made up of universally famous compositions; each volume has a beautifully tinted, full cover, life-like, autographed portrait of a musical celebrity, together with a brief story of his or her interesting career. Each piece has been especially edited for this series, and the printing, paper and binding beggars description. A Valuable Acquisition to any Music Room.
